Organisation name -11 pt upper/lower light italics in Times New Roman font

All tables, figures and half-tone pictures be placed in the text where the reference is given. The size of pictures, graphs, illustrations and tables should be identical to the text and these should not be attached separately.

Abstract of paper should be in 300-400 words.

Length of the Full paper including abstract should not exceed 10 pages, including figures, tables, appendices, etc.

Note:

1. Deadline for full paper submission = 31 July 2024
2. During the conference, it is proposed to have "oral presentation of approximately 120 papers" and "poster presentation of approximately 50 papers". The papers for oral presentation/poster presentation will be selected based upon the merit as well as the recommendations given by the Technical Committee.
3. The best paper in each Technical session will be awarded during the conference. In addition, NCB has also tied up with some of the reputed journals and magazines, therefore based upon merits of submission, author/ co-authors of selected papers will get a chance to published their research works in those Scopus index journals and reputed magazines.
4. The copyright of all the Papers published (print or electronic form) will rest with NCB.
